Welcome to the Cheyenne Coffee Company

We believe that everyone is entitled to a fresh cup of coffee.

Cheyenne Coffee Company has rounded up some of the best Arabica beans available—you're sure to find that perfect cup of coffee when choosing from our selection.

Your coffee is carefully hand roasted in small batches when you place your order. Then we ship within 24 hours of roasting to ensure that you receive the freshest coffee possible.

We are small enough to custom roast your coffee, but advanced enough to embrace the latest technology, providing you with consistently roasted coffee *every* time.

OUR COFFEE

The bars below indicate flavor, from mild to bold.

CHEYENNE BLEND

Our special signature blend. Smooth, perfect all day long.

BRAZILIAN

Flavor is soft and mild with a slight nuttiness. Low acidity.

GUATEMALAN

A mild, balanced coffee that can be enjoyed all day long without bitterness or harshness.

BREAKFAST BLEND

Bolder than our Cheyenne Blend. A great start for your morning.

COLOMBIAN - REGULAR & DECAF

Yields a classic, rich, flavorful coffee. Mildly acidic.

COSTA RICAN

This premium coffee from the Tarrazu region of Central America has subtle chocolate undertones with a hint of citrus.

MEXICAN CHIAPAS

A bit fruity with a hint of cocoa. A restaurant favorite, this coffee is one of Mexico's best.

RWANDAN

A wonderful African coffee. Rich, full body and a nicely balanced acidity.

SUMATRA MANDHELING

One of the world's finest traditional coffees. Grown without chemicals in the high mountains of Indonesia. Bold and full flavored.

ESPRESSO BLEND

We bring together multiple origins for a well balanced and creamy espresso. A rich aroma and complex taste will wake up your senses.
